LIST OF CANDIDATES SOLICITATION FOR PUBLIC COMMENT SAB LOC post 09062017.pdf

Dear ISEE current and former members,

We are sharing with you the request for public comment on the final lists of candidates for the EPA Chartered Science Advisory Board (see attached). Please note that one of our ISEE members, Dr. Jay Nuckols, has been listed as a candidate and received the support of the ISEE leadership for his nomination.

Please check the attached list of candidates carefully since you may express positive or negative concerns for candidates, in response to EPA calls for comments in support or concern about the qualifications of any candidate on the list. Note that 9/28/2017 is the deadline for submittal of comments to carpenter.thomas@epa.gov.

Beate Ritz
ISEE President-Elect
